The *Kiwanis Club of Glendale* is proud to announce this year's annual *Scholarship Award Program*. Each year, we award scholarships to student residents of our Kiwanis Club community (Glendale and Ridgewood, 11385) who demonstrate academic excellence, good citizenship, and a sustained record of community service. Students must either be entering the 9th grade (High School), or be an enrolled freshman in a recognized college or university, for the September, 2025 school year. A nominated student will be evaluated based on academics, community service, career goals and an essay. Each of the four criteria will be weighed equally.

In addition, this year we are offering several new categories: trade & technical schools, students with special needs, and music and art studies.

The club's Scholarship Committee will receive all applications and make their final decisions regarding awards. Completed applications, with all supporting documents, must be received by **Wednesday, April 30th 2025**. *No applications will be accepted after this date*. Completed applications should be emailed to: dakueber@gmail.com

or mailed to:
